

Pursuant to Law No. 6698 on the Protection of Personal Data (“**Law**”), your personal data may be processed by Yapı Kredi Teknoloji Anonim Şirketi (“**YKT**”), acting as the data controller, within the scope disclosed below.

Tracking technologies such as cookies, pixels, gifs (“**Cookies**”) are small text files placed on your device such as tablets, phones, or computers during your use of online applications. With the usage of Cookies, the servers of our websites and applications recognize your devices and, for example, remember your language preferences, saved usernames and passwords, and manage the traffic on the website. Cookies also help us analyze the number of visitors and audience of our website so that we can improve our software to provide you with a better experience and, if you prefer, to personalize the advertisements you view during your internet use.

Pursuant to the Law, your personal data regarding the cookies used on <https://www.ykteknoloji.com.tr/> (“**Website**”) may be processed by our Bank as the data controller within the scope described below.

### **Your Collected Personal Data**

Within the scope of conducting the Company’s activities, the following personal data may be processed.

<b>Personal Data Category</b>	<b>Specific Personal Data</b>
Cookie Information	Cookie type, cookie consent, session information, preferred settings information, time spent on site, user activity information on the website
Transaction Security Information	Computer ID, records (technical), system and application user account information (usernames, email accounts, last logon dates, IP addresses), all security- related log records belonging to systems, identify verification information (password, token), device information

### **Purposes and Legal Bases for Processing Personal Data**

Your collected personal data shall be processed for the purposes set out below, (“**Purposes**”) within the personal data processing conditions and purposes specified in Article 5 of the Law. Different types of cookies and similar tracking technologies are used on the Website. The legal basis for processing and the applicable processing condition under the Law may vary depending on type of cookie used.

#### ***Essential Cookies***

*Essential cookies are cookies placed on your device while you are viewing the Website and are necessary for the online services provided to function properly. For the data processing activities, we carry out during the use of these cookies, we rely on the data processing condition under Article 5 of the Law, which states: “**The processing of personal data belonging to the parties to a contract is necessary provided that it is directly related to the conclusion or performance of the contract.**”*

#### **Performance and Analytics Cookies**

Performance cookies allow us to track and analyze the number of visitors to the Website and Website traffic. These cookies enable us to gather information such as which sections of the Website are visited most frequently or least frequently, and to optimize Website traffic.

For the data processing activities conducted during the use of cookies where you explicitly request the relevant information society service and during the use of first-party analytical cookies, which are statistical measurement tools and are used for purposes that do not significantly affect the privacy of users, such as obtaining general - statistical information, we rely on the data processing conditions envisaged as “**being necessary to process personal data of the parties of the contract, provided that it is directly related to the establishment or performance of the contract**” and “**processing of data is necessary for the legitimate interests pursued by the data controller, provided that this**

processing shall not violate the fundamental rights and freedoms of the data subject” within the scope of Article 5 of the Law.

In cases where you do not explicitly request the relevant information society service, for the data processing activities conducted during the use of cookies and third-party analytical cookies, we rely on your “**explicit consent**” within the scope of Article 5 of the Law.

## Functionality and Preferences Cookies

Functionality cookies are cookies used for personalization and remembering preferences on the Website. These cookies are used to provide functionality that is outside the scope of essential cookies.

For the data processing activities conducted during the use of cookies where you explicitly request the relevant information society service, which consists of saving your preferences and thus customizing the Website for you, we rely on the data processing conditions envisaged as “**being necessary to process personal data of the parties of the contract, provided that it is directly related to the establishment or performance of the contract**” and “**processing of data is necessary for the legitimate interests pursued by the data controller, provided that this processing shall not violate the fundamental rights and freedoms of the data subject**” within the scope of Article 5 of the Law.

In case where you do not explicitly request the relevant information society service, for the data processing activities conducted during the use of these cookies, we rely on your “**explicit consent**” within the scope of Article 5 of the Law.

Below you can find the different types of cookies that we use on the Website.

**Method of Personal Data Collection**

Personal data is collected through cookies in electronic environments for the purposes stated above.

**Your Rights Under Article 11 of the Relevant Law**

Regarding your personal data, you may submit your requests concerning your rights under Article 11 of the Law by completing the Data Subject Application Form available at <https://www.ykteknoloji.com.tr/pdf/kisi-basvuru-formu-en.pdf> and forwarding it to the Company. The Company will resolve your request free of charge within the shortest possible time and no later than thirty days, depending on the nature of request. However, where the transaction requires an additional cost, a fee pursuant to the tariff determined by the Personal Data Protection Board shall be charged.

Your application must include;

- Full name and wet signature,
- For Turkish citizens: T.R. identity number; for foreign nationals: nationality, passport number, or identity number if applicable,
- Address for service notice or workplace address,
- Primary email address, telephone, and fax number for notification purposes, if any;
- Subject matter of the request.
